

2023 Summer Academic Scholarships

Dear Parents:

The teachers and support staff in your school district, through the Lowell Education Association (LEA), are offering their students *Summer Academic Scholarships*. Scholarships are to be used for academically enriching programs. The scholarships are to help cover the cost of an academic program and are given in amounts not to exceed 50% or \$100 of the total cost of the program. Amounts awarded are dependent on the number of applicants.

Criteria for awarding this year's scholarships will be established by the scholarship committee. *Sports and church camp applications will not be considered.*

It is the responsibility of parents and students to research programs that are available and to contact that program for an application of enrollment. The scholarship committee does not have application forms for any program. It is up to the individual applicant to see that this is taken care of **before** applying for a scholarship. This is especially important if the program you are enrolling in has its own deadline. If you are enrolled in a camp and awarded a scholarship, a check will be written and sent to you. If your child later decides not to attend the program or if the program is canceled, please let me know at your earliest convenience.

Previous scholarships have been awarded for:

Wittenbach Center Camps	Computer Classes
Wittenbach Jr. Master Gardener Program	FFIC Heritage Camp
Lowell Schools Summer Academic Programs	Space Camp
Kendall School of Design	Career Camp
John Ball Zoo School	Camp Invention
Knollcrest Music Camp	MASTA Strings Camp
Blue Lake Fine Arts Camp	Sweetwater Rock Band Camp
GRPM Camp Curious	Meijer Gardens Summer Camp
Civic Theatre Arts Day Camp	Bricks 4 Kidz Camp
