

THE LUCAS BEACHNAW MEMORIAL SCHOLARSHIP

Sgt. Lucas T. Beachnaw was proud! Proud of many things – a few being service for his country, family, friends and his ability to snowboard. While serving our country Lucas was named top gun in Army sniper school, squad leader and senior sniper. His time of service ended on January 13, 2010 in Afghanistan after a gunfight in which he received a fatal injury. Lucas would be proud to know that through this scholarship other Lowell youth will have the opportunity to learn the art of snowboarding.

The Lucas Beachnaw Memorial Scholarship is administered by the Beachnaw family and is available to a Lowell Area Schools student who would like to take snowboarding lessons at Cannonsburg Ski Lodge. A ski pass and equipment (if needed) are also included. Emphasis on financial need is required.
