

COLD WEATHER WARRIORS

**Help the Lowell Police Department to be
“Cold Weather Warriors” to our local children.**

In partnership with the Lowell Police Department and Lowell Public Schools, we want to make sure our children have the tools they need to enjoy the coming cold weather instead of fearing it.

As we enter into the cold weather season, did you know there are children within Lowell Public Schools that will go without the basic necessities to keep their temperature up as the outside temperature declines.

We want to ensure each child is provided with the winter weather tools they are missing. As requests are made by the schools, personalized items will be purchased and delivered for immediate delivery to the child in need.

Example of items to be provided: size specific winter coats, snow pants, hats, gloves/mittens, socks, boots, etc.

All items to be provided will be “new” with tags.

Donated items needed most in bulk include: socks, gloves/mittens, hats, scarves.

Your generous donations can help fill each child specific need.

Please consider becoming “**Cold Weather Warriors**” for our schools. Meijer gift cards and “new” winter clothing item donations can be dropped off to the **Lowell Police Department**.

Together we can ensure each child in need is provided with the tools to enjoy this cold weather season!
