February 23 2024

From the Principal....

It was a great short week of school. I hope you all enjoyed your mid-winter break. As we near the end of the month we have lots of fun things happening.

LEARNING FAIR—Our annual Learning Fair is next Thursday, February 29, 5-6:30 pm. Please come and walk through the building to see the amazing work our students have been doing. Check out your child's classroom and any other rooms you'd like! There will be an ice cream social in the gym, the book fair will be open on the stage, the high school bands will be here to play music and finally at the end of the night, we will auction the classroom baskets off. These baskets are SO AWESOME! Thanks to everyone who helped support this initiative.

March is right around the corner! As many of you know, March is National Reading Month. Historically, Murray Lake makes a big deal out of this month. Next week you will receive the March Is Reading Month parent letter, a March is Reading Month calendar, and a reading log for the month. Please let your child's teacher or myself know if you have questions. I am really looking forward to a fun-filled reading month.

The Mustang Market opens next week. At this market, kids are able to spend the Mustang Moments they earned for positive behavior. There are lots of treats and trinkets to buy. They also can enter drawings for Meijer gift cards, lunch with the principal, and lunch on the stage. Kids love the Mustang Market!

Congratulations to our collaborative team members of the month, our math interventionist, Ashley Antonides, and our district Math Coach, Carmen Tawney. Ashley works as our K-2 math interventionist but she does so much more than that. She helps out in all areas of the building. She is a true team player and is always willing to help anyone that needs it. Carmen oversees math intervention for the entire district. She helps us look at data and make the best decisions we can to support our students. We appreciate both of these ladies!

We have had another wonderful week at MLE. I continued to see outstanding examples of teaching and learning taking place. Murray Lake is a GREAT place to be. Enjoy your weekend! Get some rest and stay healthy!

Molly Burnett
Principal

Collab Team of the Week!

We value: Trustworthiness
Respect Responsibility
Fairness Caring Citizenship

Working together to: Achieve Academic Excellence
Build Self Esteem, and
Care for Others
