School Picture Make-up Day - Monday, October 30, 2017

On the above date, Geskus Photography Inc. will be at your school to photograph all students. You do not need to bring any payment at this time. Approximately 1 week following portrait day you will receive a proof with information to view and order your photos.

When you purchase your child's photo you will have the ability to customize the photo with our newest digital technology. On the reverse side you can see our newest digital backgrounds.

Choosing an outfit for school pictures is really a matter of personal taste. However, consider choosing colors that compliment the background rather than contrasting with it. The right clothing colors will bring attention to the face rather than the clothing.

REMEMBER: BRING YOUR SMILES

(NO PAYMENT IS NEEDED AT THIS TIME)
