

50% discovery
50% adventure
100% fun

Grandparents, Grandkids, Grand Valley

Grandkids grow up fast. One minute they're holding your hand, the next minute they're holding a diploma.

This summer, create lasting memories with your grandkids at Grand Valley's G3 camp. Packed full of fun, it's designed especially for kids ages 8–12 and their grandparents to live, learn, and laugh together.

Campers will participate in multiple sessions designed for all ages during the day. Evening activities may include using the climbing wall, swimming in the Olympic-size pool, biking, ping pong games, basketball, exploring the campus, or just kicking back to enjoy playing board games or storytelling. Spending quality time together will create memories that last a lifetime!

Camp dates:

June 21–23, 2016

Registration opens December 1, 2015
