From the Principal...

This week marks the beginning of the third trimester! We are on the final stretch of this school year! Our goal is to finish strong!

Thank you to all of those that were able to attend the Learning Fair. It was great seeing you all in the building checking out our students' amazing work. Thank you for your support with our basket raffle as well. A shout out to our Family Links and room moms that helped make this event happen!

We continue to do very well with our March is Reading Month. This week our students brought in over 700 hours of reading at home. Monday, 3/13, students will earn a PJ and read-a-thon day in their classrooms as a reward. Next week students are working for extra recess and a no homework night if they can meet school wide, their 500 hour goal.

Just a reminder that parent teacher conferences are coming up next week. You will receive your child's report card at their conference as well. I hope you all can find time to attend these important meetings. The parent/teacher connection is crucial! It will be great to hear about all the growth your child has made so far this year! The conference format is flexible this time so teachers will have conferences at different times throughout the week. These conferences can be face-to-face or virtual. Thank you for making this a priority!

We've had another great week at Murray Lake. March Madness has arrived! Many of you know that basketball is one of my passions! I love this time of year. I hope you have a terrific weekend.

Thank you!

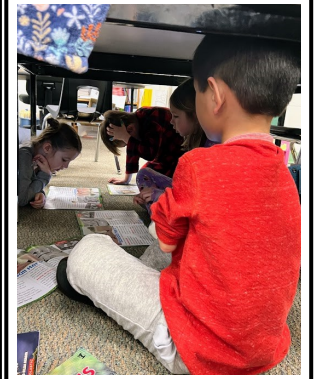

We are participating in the Whitecaps Reading Club again this year. Your child(ren) should have received a ticket form this week. For every 15 minutes they read, they fill out a square. When the triangle is complete, fill out the ticket order form and send in to the office at school. The group date is Sunday, May 14, 2:00 pm. This is Mother's Day!

Please have order forms turned in by 4/11/23.
