### Kids' Food Basket

Kids' Food Basket is a nonprofit organization attacking childhood hunger to help young people learn and live well. They began over a decade ago by serving 125 kids each school day through their Sack Supper program and now serve nearly 7,500 kids each weekday in West Michigan. Sack Suppers are evening meals that provide a well-rounded nutritious meal—nutrition that's critical to the development of kids' brains and bodies. Pink Arrow Pride continues to focus on accomplishing the main goal to increase awareness for the treatment and cure of many forms of cancer. They also continue to support the efforts of the Lowell Area Community Wellness Organization and their work to help those struggling with cancer and provide education programs. And, of course, they work to increase and maintain student scholarships in honor of Kathy Talus, a former Lowell teacher and coach who lost her battle with cancer, and Dr. Gerard who has dedicated more than 30 years to volunteering and giving care to our student athletes.
