CORPS**

THERE ARE STRUGGLING STUDENTS AT YOUR CHILD'S SCHOOL. **BUT YOU CAN HELP US CHANGE THAT.**

THE NEED:

Michigan Education Corps is making the future brighter for struggling students – including those at your child's school. To meet the need, we're looking for new tutors who can ensure students are strong readers by the end of third grade.

THE DETAILS:

We are currently seeking full-time (which includes a \$12,855 stipend) or part-time (which includes a \$6,427.50 stipend) tutors who are willing to commit to one year of AmeriCorps service. Whether you want to get more involved at the school, explore a new career in education, or give back to the community, this is a great opportunity to do so.

For more information about how to get involved with this opportunity, contact us at mec@hopenetwork.org or apply directly at tinyurl.com/miapply2016.

Don't have the time? Pass on this opportunity to someone you know.
