

# Notes from Mrs. Neubecker

## Welcome to Kindergarten!

Hello families! My name is Mrs. Neubecker, and I am so excited to be your child's teacher this year! I can't wait to meet you all and begin this beautiful and joyful kindergarten journey! I would love it if you are able to stop by to meet me and check out our classroom during our open house Monday, August 21st from 5:00 - 6:30 pm!

### Meet the Teacher!

This is my ninth year teaching and my 7th year teaching kindergarten! I graduated from Lowell in 2010, and I am so proud and grateful to teach in this amazing community!

When I am not teaching, I love spending time with my family and being outside. My son, Greyson, is three, and my daughter, Quinn, is one! They are both SO sweet and fun! We spent the summer playing outside and in the pool, and going for walks around our family farm!

### Family

I love to start out the year by creating a family bulletin board, where the kids can bring a picture of their family to share with the class and keep in the classroom. Please feel free to email me a family photo or send a picture with your child on our first day of school (or whenever is convenient!)

# School Supplies

Please bring your child's school supplies to our open house on Monday night. That way we won't need to worry about those on the first day of school. Please send your child with a water bottle with their name on it and a healthy snack daily. We eat lunch at 12:30, so it helps to have a morning snack to get us through! It is also helpful if you can pack the snack separately from their lunch and/or talk with them before school about which item is meant to be eaten for snack 😊

Thank you in advance for your help with this!

## Transportation

Since our open house is the night before school starts, I will not be able to confirm bus routes for each child. With that said, *please email me sometime between now and Monday evening with your child's after school plan. Please let me know if your child is going to after school care at the YMCA, if he/she is a "pick-up kid" or bus rider, and the correct bus number he/she will be riding. If you aren't sure of your child's bus yet, please contact the bus garage to get that information. Thank you for helping me get your kids on their way home without any tears!* 😊

## Specials Schedule
