November 17, 2023

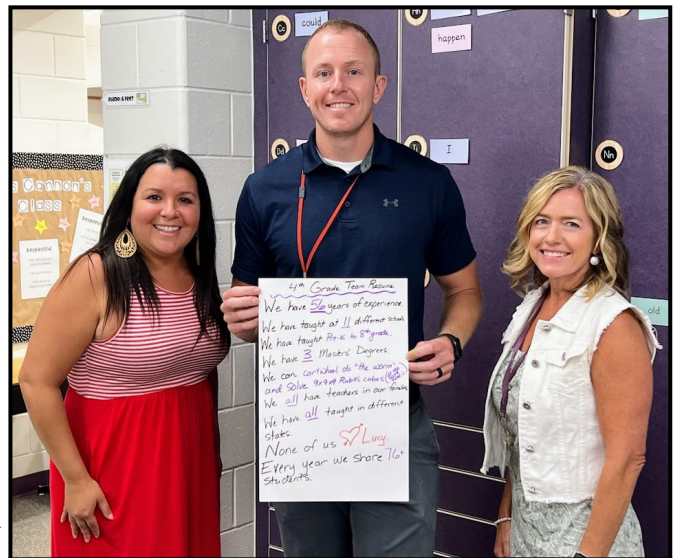

From the Principal....

Every Friday, I challenge our staff to send out at least 5 compliments to students, staff, and/or parents. We call this initiative our *Friday 5*. Some of you may have received a nice compliment (Friday 5) about your child from a teacher or MLE staff member on a Friday. I share this with you as I would like all of you to consider participating in our “Friday 5” initiative. We all live such busy lives, we often take for granted the wonderful people around us. As we approach this holiday season, I would like to challenge each of you to take a few minutes each Friday and shoot an email, write a note, or verbally compliment 5 people in your life. It could be your child, a teacher, a family member, or a friend. I guarantee that a “Friday 5” will make someone’s day!

Congratulations to our Collaborative Team of the Week, 4th Grade! Julie Fuss, Stuart Kohl, and Christina Smith work very well together to support ALL students. They continuously look at data, evaluate teaching practices, and make plans to help kids be successful in their classrooms. I am grateful for their hard work!

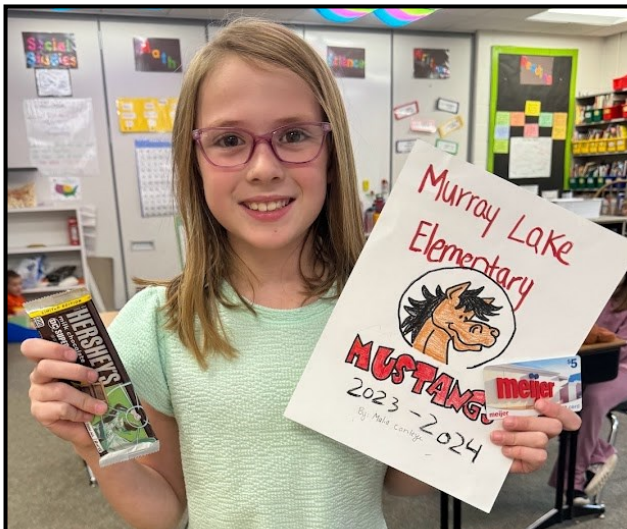

Just a reminder that the end of the 1st trimester is today, Friday, November 17. Teachers are wrapping up assessments and classroom assignments for report cards. Those come home Monday, December 8.

I hope all of you have a blessed Thanksgiving Day and break (after our Monday and Tuesday next week). I know I am looking forward to spending time with my family and of course, good eats! I hope you will share with your children how lucky we are to have all of the blessings (health, family, faith, food, shelter, etc) that have been given to us, especially since many children in our world do not even know where their next meal will come from. I am also truly thankful for being a part of our Murray Lake family. We have outstanding teachers, staff, students, and parents!!! I hope you all have a wonderful weekend and a great Thanksgiving break.

Collab Team of the Week, Mrs. Smith, Mr. Kohl, & Mrs. Fuss!

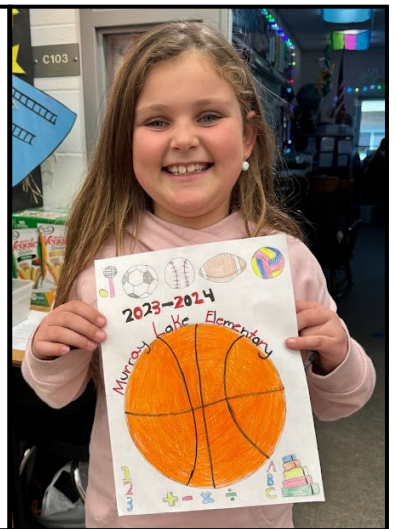

Molly Burnett
Principal

Art & Science!

My turkey is disguised as a makeup so she does not become dinner or pray. Plus she thought that she looked cute. She stayed in it until december because she loved it so much that she was thinking about keeping it on.
