From the Principal....

Every Friday, I challenge our staff to send out at least 5 compliments to students, staff, and/or parents. We call this initiative our *Friday 5*. Some of you may have received a nice compliment (*Friday 5*) about your child from a teacher or MLE staff member on a Friday. I share this with you as I would like all of you to consider participating in our *Friday 5* initiative. The year 2020 has been a challenge for all of us. With all the craziness going on, we often take for granted the wonderful people around us. As we approach this holiday season, I would like to challenge each of you to take a few minutes each Friday and shoot an email, write a note, or verbally compliment five people in your life. It could be your child, a teacher, a family member, or a friend. I guarantee that a *Friday 5* will make someone's day!

Just a reminder that the end of the trimester date has changed! We will now finish the first trimester on November 24th! The first day of the second trimester will be Monday, November 30th, for any students who are switching learning formats.

I hope all of you have a blessed Thanksgiving Day and break (after our Monday and Tuesday next week). I know I am looking forward to spending time with my family and of course, good eats! I hope you will share with your children how lucky we are to have all of the blessings (health, family, faith, food, shelter, etc) that have been given to us, especially since many children in our world do not even know where their next meal will come from. I am also truly thankful for being a part of our Murray Lake family. We have outstanding teachers, staff, students, and parents!!! I hope you all have a wonderful weekend and a great Thanksgiving break.
