25¢ to \$5.00 per
item.**

The Murray Lake third graders will be holding a Market Day during all lunch hours on Monday, April 20th. They will be selling goods and services that they have made themselves as part of their economics unit. All proceeds from the Market Day will go to sponsoring Andrew Mugabo, an orphan in Kampala, Uganda.

Earlier this year the third graders had the rare opportunity to meet Andrew and the other children at the orphanage on Skype. They asked Andrew what he wants to be when he finishes school, and he told them he wants to be an engineer. The third graders told Andrew they want to help him reach that goal by sponsoring him with funds raised at their Market Day. Their goal is to raise the full \$1200 needed to support Andrew for one full year.

For more information about CHAT House visit <http://chattothefuture.org/>

Murray Lake third graders meet Andrew and the other children at the CHAT House orphanage in Kampala, Uganda on Skype.

If you would like to make a tax deductible donation, you can write a check payable to "CHAT to the Future" and send it to school with your child. Thank you!

Meet Andrew Mugabo

Andrew is 15 years old. His father died 8 years ago and his mother died 3 years ago. His elder brother had been taking care of his school fees, but when he could no longer afford to send Andrew to high school, he contacted CHAT to the Future in

search of sponsorship. Looking at Andrew's grades, he is a promising student. When asked what he would like to become if given a chance to study, Andrew says he would like to be an engineer. Andrew now lives at CHAT House with the

rest of the CHAT House family.
