

Parent Teacher Conferences are Monday, 10/16/23, and Wednesday, 10/18/23!

Multiple Children Families, please see below to sign up. Thank you!

Multiple Children Families:

If you have two or more children attending Murray Lake, we ask that you attempt to sign up for our conferences today, 10/10. This will allow you to schedule your times in hopes of leaving at least one time slot in between your children's conferences to avoid delays and overlaps. For example, with your youngest, sign up for a 5:00 spot and then attempt to sign up for a 5:30 slot for your oldest. We no longer have the five minute passing time as we did in the past, making it crucial for parents to leave that open time between siblings.

As in the past, you will only need to meet with your student's primary teacher. All information from other teachers (ie advanced math, writing, etc) will be relayed to the primary teacher. Please do not sign up for a conference time with any teachers other than your student's primary teacher. If you feel a separate conference IS necessary, please let the primary teacher know.
