

# STUDENT PLACEMENT FORM

Dear Parents/Guardians,

We are beginning our work on the placement of students for the upcoming school year. The following criteria will be used by your child's teacher to place each child in a learning environment, which promotes optimal academic and social growth:

- Academic abilities
- Teacher and parent input
- A need to separate student "combinations"

**We are required to balance our classrooms based on:**

- Boy/girl ratio
- Ability levels (narrowing the range)
- Behavioral factors
- Special student needs

A combination of all the above factors is carefully considered by your child's teacher when placing your child in next year's class. If there are any educational or social/emotional needs that the current teacher may not be aware of, please indicate those needs below.
