So many kids may want to give up if they're not good at something right away. This book teaches them if they continue to work hard, they can improve. Don't we all need that reminder!

-Marin V.

Marissa is a proud member of SCBWI. For more information, visit her website at [www.tawneythaler.com/contact](http://www.tawneythaler.com/contact).

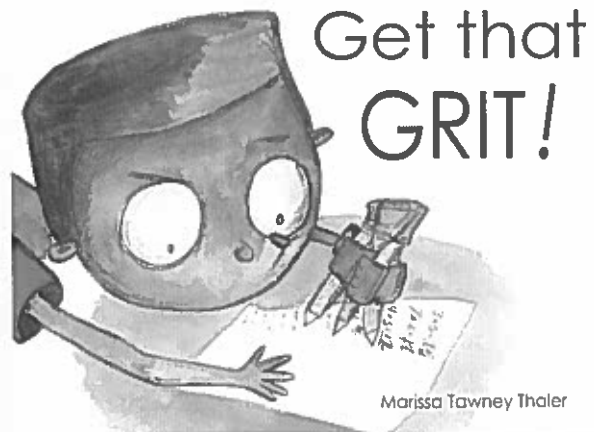

**Bio**

Marissa holds a BA in Art Education with a focus on illustration. During her time as an elementary art teacher, the concept of Growth Mindset swept into our schools and curriculum. Get that GRIT! was written after seeing the need for a quick, easily applicable way of teaching perseverance.

**During an author visit assembly you can expect....**

- An introduction into the life of a working artist
- A reading of the book Get that GRIT!
- A breakdown of the writing and illustrating process
- A fun and inspirational discussion on the application of GRIT in our own lives!
