February 24, 2017

From the Principal....

As many of you know, March is National Reading Month. Historically, Murray Lake makes a big deal out of this month. This year will be no different. I've attached an informational letter about March is Reading Month to this newsletter. I've also attached reading minute logs (a hard copy of this will be coming home with your child) and a monthly event calendar. I am asking your help to record your child's at-home reading hours, and to submit these hours each Thursday or Friday during March. Please encourage your child to read a little more throughout the month of March. I also encourage you to be a role model for your child and turn the TV off and grab a book to read!

Our March is Reading Month Theme this year is "Rock n' Read." Sigmund Brouwer will be visiting on March 1st to help kick off March is Reading Month. It doesn't matter where you come from in life, it matters where you choose to go. Sigmund Brouwer uses music and story to give fun and practical advice on how to make sure that reading and writing become the foundation to future success. With over three million books in print, he's a bestselling author of both children's and adult books.

This is a reminder that Murray Lake's first annual Family Movie Night will be on Friday, March 3rd. Please RSVP to Family Links if you and your family plan to attend!

Cherry Creek Elementary invites interested parents to attend "Bullying: What We Know and What We Can Do" on Tuesday, March 7 at 6:30 pm. This workshop will be led by Dr. Michele Coyne, a consultant specializing in positive school climate, the reduction and prevention of bullying, the impact of poverty on education, and educational leadership. Free child care will be provided.

Attention families with a student in grades K-2: Lowell Food Service will be holding a special breakfast in honor of March is Reading Month on Monday, March 6th. A flyer will be coming home with your child today. Please review that flyer and RSVP by March 1st if you plan on attending.

I want to remind you of our Lowell Community Expo that will take place on Saturday, March 25. If your son or daughter has a special talent they would like to show at the Expo, please contact our office.

We have had another wonderful week at MLE. Even though it was a short week, I continued to see outstanding examples of teaching and learning taking place. Murray Lake is a GREAT place to be. Enjoy your weekend!

Molly Burnett Principal
