

# Lowell Ski/Snowboard Club

(For all K-12 Lowell students and their families)

Winter is upon us! It's time to get your ski club cards! Cannonsburg is offering last year's pricing on club cards until the end of September, after that prices will go up slightly...so order your cards online now and save!

## What is the Lowell Ski/Snowboard Club?

We offer Lowell Area School students and parents the opportunity to ski or board at Cannonsburg at a discounted rate. Cannonsburg provides discounted lift tickets (punch cards) to all participating Lowell Club Members. Parents provide transportation to and from Cannonsburg. Club cards can be used any day or time of the week (No blackout dates). We hold club nights throughout the winter, however many students meet up on their own time, too. Watch our Facebook page for dates and times and for ALL club updates/communications.

Please click on the link below to complete your registration and purchase your punch cards:
