From the Principal...

We are again running Arrows on the Move this summer. It is a free program that allows you to access our school libraries all over the district throughout the summer. Lowell's Englehardt Library will also be teaming up with us this summer as well. It is so important to keep your child reading throughout the summer, and if you don't make it a goal, it is easy to let the reading slip. Please consider signing your child up for this. I am also encouraging our students to access *Relfex Math* online throughout the summer.

I have not yet heard if we won the Food Fight competition. We did collect more items this year than we have ever collected in the past. Our students brought in **3,876** items. We had one family donate over 1,116 items! The compassion of Murray Lake parents is truly unbelievable. I want to thank our student council members who collected, counted and boxed our items each week.

We had our Lowell High School seniors in on Tuesday of this week for senior give back day. Over 70 former Murray Lake students were here at MLE. They opened their time capsule that they made when they were 5th graders, visited classrooms, played on the playground, and played basketball with our students in gym class. It was so fun seeing the seniors interact with our students and their teachers from past years. They had a blast!

The best gift you could ever give someone is your time because you're giving them something that you'll never get back.

As I mentioned a couple weeks ago, we have scheduled our end of the year awards assembly for June 8, 9:00 am. Our third-fifth grade students attend this assembly. Attendance, physical education, AR, student council and the fifth grade Presidential awards are passed out during this assembly. I will also be passing out Graduation certificates to each of our fifth graders. Parents are more than welcome to come to this assembly.

Although our summer break is just around the corner, I continue to see quality teaching and learning on a daily basis. Murray Lake is a GREAT place to be. Have a terrific Memorial Day weekend! Make sure you take some time to remind your kids about all the men and women who sacrificed their lives in order for us to continue to live with such freedom in this great country!

Molly Burnett
Principal

Friendly Reminders...

- Please fill out the MLE School Survey we emailed you. Your input is greatly appreciated!
- 5th Grade Class Photo orders are due by Wednesday, May 31.

We value: Trustworthiness
Respect Responsibility
Fairness Caring Citizenship

Working together to: Achieve Academic Excellence
Build Self Esteem, and
Care for Others

5th Grade Columbus Day Parade
