Dear Murray Lake Elementary Parents,

## WELCOME TO OUR ANNUAL “MUSTANGS ON THE MOVE” WALKATHON AND HEALTH WEEK!

A fundraiser where **100%** of your donations go directly to help Murray Lake Elementary!

Our goal is to raise over \$14,000! If each child raises a minimum of \$30, we will reach our goal. This money will help fund many opportunities for our children at Murray Lake, such as Field Day, Learning Fair, Odyssey of the Mind, and Salmon in the Classroom. It also helps pay for technology in the classroom, bussing for field trips and other events throughout the year.

### REWARDS AND PRIZES FOR STUDENTS

- Students receive a raffle ticket for the first \$30 in donations raised. Every additional \$10 earns them another raffle ticket – check out the enclosed flyer for awesome prizes.
- A t-shirt on walkathon day.
- A Grand Prize for the top 2 fundraisers in each grade – see enclosed flyer.
- A Pizza Party for the class that earns the most.

Each student can win only one raffle prize, but will still be eligible to win the grand prize.

The week of **September 19th – 23rd** will be filled with all things health and fitness. We will be tasting different healthy foods and will have fun activities for them to do during afternoon recess such as Yoga and Movement/Zumba! The walkathon itself is a ¾ mile walk around school grounds. Please have your child dress accordingly. If you do NOT want your child participating in any/all of the activities, you must contact Mrs. Burnett at 987-2750.

While the walkathon is designed for the students only, any parent/family member who wishes to come and cheer from the sidelines is encouraged to attend. We greatly appreciate all of the support our students and families continue to show to Murray Lake Elementary. Thank you in advance and we look forward to another exciting and fun-filled event at Murray Lake Elementary!

Sincerely,  
M.O.M. Committee

*Rainy Day Plan* - If the weather prevents the walkathon from being held outdoors, we will conduct it indoors. Unfortunately, due to the limited space, we will not be able to accommodate spectators in the event of an indoor walkathon.
